

# Kendriya Vidyalaya Dabra

## Academic Achievements

Kendriya Vidyalaya Dabra is situated at a little distance from Dabra town in Simariyatal village. We impart quality education upto class-X level in all respective subject since its inception in the year 2017. The Vidyalaya has the reputation of catering to the needs of aspirants in the various fields of education. This Vidyalaya holds promises for a bright future of beloved students. Our students participate enthusiastically in various competition such as Vidyarthi Vigyan Manthan, National Standard Examination Junior Science Olympiad, Maths Olympiad, Inspire Award, National Children Science Congress etc. and got better experience of their learning age. In last Academic session , three of our students got excellent result in Class -X board examination and got honoured by Hon'ble SDM Dabra and received Rs.5000 from KVS.

## **EFFORTS ON ENVIRONMENTAL ACHIEVEMENTS**

As we all know that the natural environment is also a boon for human life and other organism. These natural resources are air, water, sunlight and soil. Rivers are boon for us.

Kendriya Vidyalaya Dabra is located near Sindh River Dabra. On the occasion of Swachhata Pakhawada in the month of October 2023 , the students of the Vidyalaya adopted River Sindh and went on to bank of river and cleaned it and awared the locals about cleanliness.

We believe that feeding the birds is such a great way to get kids involved with nature and teach our children how to observe and feed birds. In this view, our students made various specialized feeders for different kinds of birds.

Plantation drive was organized in the Vidyalaya premises. The students of our Vidyalaya actively participated in the drive and brought various plants from their homes.

## School Result

In the last academic session 2022-23, total 397 students appeared in examination and 394 students passed the examination with flying colours. Overall result percentage was 99.24%. During last year, Kendriya Vidyalaya Dabra appeared for the first time in class 10th CBSE Board Examination and our Vidyalaya secured 100% result. Three of our class 10th students got excellent result in board examination and got honoured by Hon'ble SDM Dabra.

## INNOVATION

The key to innovation in education is for leaders and teachers to have an openness to look with fresh eyes at a potential problem, and to find solutions to improve the learning experience. Being innovative shows that we don't have all the answers, and that learning never stops – we can always improve and try new methods and new ways. We provide greater ways to facilitate clearer and better communication between school districts' parents with powerful video tools. We have a special educator for the betterment of learnings of our students. Our students made various projects and participated in National Children Science Congress at Vidyalaya level and Regional level. Our students made working models in science on various themes. In mathematics, children got the opportunities to explore their mathematical skills by making projects, models, charts etc. In primary section, we organised different activities such as vocabulary, games, fun with numbers, conversation in English, gather information about great leaders, initiation of voices and venders etc to give the exposure of our students in academic and non-academic achievements.

## Vidyalaya Management Committee

Vidyalaya Management Committee is an internal part of the Vidyalaya. The committee takes decision for the overall development of the Vidyalaya and its students. There are 13 members in the committee from various areas. Hon'ble Dist. Collector, Gwalior is the chairman who leads the committee. The nominee chairman of the committee is SDM Dabra. VMC meeting is organised time to time in the Vidyalaya and takes several decisions in the favour of Vidyalaya betterment. VMC gives permission for purchasing items such as furniture, computers, laboratory materials, library books and other necessary items.

## SPORTS ACHIEVEMENTS

Sports and games are extremely important for the overall development of an individual and our nation. Playing sports inculcates some qualities in us like team spirit, leadership skills, cooperation, decision making and time management. Sports also improves our personality, makes our body strong and mind active.

Every year students of Kendriya Vidyalaya Dabra gets the opportunity to participate in KVS Regional Sports Meet under Bhopal region. The students of our Vidyalaya participated in KVS Regional Sports Meet 2023 in Chess and Table Tennis held at Gwalior and Bhopal. Three of our students won medals in KVS Regional Sports Meet escorted by Ms. Ankeeta and participated in 52<sup>nd</sup> KVS National Sports Meet 2023 held in Roorkee (Dehradun Region) representing the Bhopal Region. The students are –

1. Vaishnavi Tripathi – Gold Medal
2. Jayshri – Silver Medal
3. Rishika Rawat – Bronze Medal

## ANNUAL MEDICAL CHECK- UP

A Free Medical Health Check-up is organised twice a year for the students of Kendriya Vidyalaya Dabra.

The Medical camp is organised in association with Civil Hospital Dabra, Gwalior in which a team of 4 to 5 members conduct the medical check-up in the school premises.

The medical record of the students is recorded on medical card provided by the school in which medical check-up of the students is conducted on standard parameters.

General Examination of eyes, ear, nose, teeth and body deformities is also recorded.

Specific Examination of the students is conducted as per the Khelo India Fitness Assessment Tests.

Past history of any major illness or operation and vaccination status is kept under record after consulting the parents.

The Medical Check -up is followed by the remarks of the Doctor whether the student is healthy or needs observation or is referred for treatment.

## VISIT/ INSPECTION

On 02/12/2023, Saturday Respected AC sir Sh. Veer Vijay Singh with the Vice Principal Sh. Devendra Kumar visited our Vidyalaya for Surprise Inspection. The team supervised the Vidyalaya in all aspects- Academic/ Infrastructure and proper functioning of the Vidyalaya in all the aspects. The team motivated the staff members and gave valuable suggestions to improve the outcome.

On 06/02/2024, Tuesday Hon'ble Deputy Commissioner R. Senthil Kumar with the Principal Sh. Rohit Kumar Saxena visited our Vidyalaya. The team supervised the Vidyalaya and sum up with a fruitful meeting. DC sir gave motivation and presented a critical observation of the whole Vidyalaya. All in all, the supervision/ inspection was fruitful and helped every member of the Vidyalaya to improve their performance. We would welcome such inspections in future too.
